

Bryanna graduated top of her class with a 4.0 from the MTTI Medical Assistant Program in Seekonk, Mass. She was then eligible to sit for, and passed the Registered Medical Assistant and the Registered Phlebotomy National Exams. She also earned certification of completion for EKG, Phlebotomy, HER and HIPPA training and is certified in BLS (Basic Life Support), CPR and First Aid.

Since graduating, she has worked as a Medical Assistant in a busy Medical and Cosmetic Dermatology Practice where she was a valued co-worker, taking a leadership role in all aspects of patient care and office procedures. In two short years, she became the "go to" Medical Assistant for all clinical, non clinical and cosmetic issues. She is a true team member who will go out of her way to help others.

Bryanna has been accepted into a Nursing Program and will continue to work while pursuing her Nursing studies with the goal of becoming a Nurse Practitioner.

Bryanna is a very bubbly person who makes peers and patients smile and laugh. Outside the office, she likes to spend time with her family and her dogs and get her nails and eyelashes done!!
